This conference is designed for all physicians and healthcare providers involved in the treatment of stroke patients, including those in the areas of Neurology, Neurosurgery, Neuroradiology, Emergency Medicine, Critical Care Medicine, Internal Medicine, and Family Medicine.

Content includes new standard of care data as presented at the International Stroke Conference.

**SATURDAY MAY 16, 2015**
**DALLAS MARRIOTT CITY CENTER**
**DALLAS, TEXAS**

**REGISTER ONLINE:** [WWW.CMEBAYLOR.ORG](http://WWW.CMEBAYLOR.ORG)

**LEARNING OBJECTIVES**

**BASIC SCIENCE**
- Identify major advances in key areas of cutting-edge research and technology in subarachnoid hemorrhage, acute thromboembolic stroke, intraparenchymal hemorrhage, stroke rehabilitation and cerebral aneurysms.

**CLINICAL SCIENCE**
- Transition emerging clinical science to clinical practice in patients with ischemic and hemorrhagic stroke.
- Evaluate and implement new diagnostic and therapeutic strategies for treating patients with stroke.

**POPULATION SCIENCE**
- Recognize emerging trends in the distribution of hemorrhagic and ischemic stroke and their impact on public health.
- Evaluate the impact of new diagnostic and therapeutic strategies on health costs and clinical outcomes in patients with ischemic and hemorrhagic stroke.

**TRANSLATIONAL SCIENCE**
- Understand the adaptation and testing of fundamental scientific discoveries to the diagnosis and treatment of ischemic and hemorrhagic stroke in patients.

**TARGET AUDIENCE and SCOPE OF PRACTICE**
- Physicians – primary care, emergency medicine, critical care, neurology, neurosurgery, interventional radiology, internal medicine, physical medicine and rehabilitation
- Members of multidisciplinary teams involved in the care of stroke patients: Fellows, Residents, Physician Assistants, Nurse Practitioners, Nurses, Research Staff, Allied Health Professionals
- Scope of Audience: Clinical, Research, Administrative
- Geographic Reach: Texas, Louisiana, Arkansas, Oklahoma, New Mexico

**CONFERENCE OVERVIEW**

The 6th Annual Latest Advances in Ischemic and Hemorrhagic Stroke Therapy 2015 will address critical issues related to decision making for and treatment of stroke patients. The optimal care for stroke patients is ever changing as a result of advances in stroke prevention, therapy and research. This conference will feature experts from emergency medicine, neurology, neurosurgery, internal medicine, rehabilitation and interventional neuroradiology. With the goal to update on the latest patient care recommendations, these specialists will convey the newest advances in the treatment of stroke in a format that allows for timely application of proven protocols.

Discussion will include treatment of acute ischemic stroke, neuroimaging, cutting edge medical management advanced endovascular treatments for stroke, and advanced stroke care delivery. Each topic will be covered in the context of case presentations and panel discussions that allow for audience interaction with faculty. The conference lectures are designed to enhance dialogue on current controversies in the treatment of stroke.

The day includes breakout sessions to allow participants to select the most applicable content. In addition to breakout sessions for physicians, this year’s conference will include concurrent breakout sessions focused on advanced practice professionals.

Given the urgency and complexity of treating stroke patients and the positive impact of a multidisciplinary team approach to care, this conference will provide strategies for the implementation of integrated care.

**ELEIMENTS OF COMPETENCE**

By focusing on the American Board of Medical Specialties’ areas of patient centered care, medical knowledge and systems-based practice, this CME live activity has been designed to change clinical competence and impact physician practice performance.

LATEST ADVANCES IN ISCHEMIC AND HEMORRHAGIC STROKE THERAPY

ACTIVITY AGENDA

MORNING JOINT SESSION
7:00w Registration and Exhibits
7:45 Welcome and Introduction
8:00 Clipping Aneurysms in the Era of Coiling: When is Clipping Still the Right Choice? David L. Barrow, MD
8:30 The NIHSS: Predicting Mortality, Prognosis and Disposition Dion F. Graybeal, MD
9:00 Aneurysms: Update on Flow Diversion James P. d’Etienne, MD
9:30 The Importance of Multidisciplinary Leadership Liz Youngblood, RN, MBA
10:00 Stroke Rehabilitation: An Administrator’s Perspective Debbie Summers, MSN, RN, ACNS-BC, CNRN, SCRN
11:00 Advancing Technology and Research in Stroke Rehabilitation Amy J. Wilson, MD
11:30 Stroke Trials and Tribulations David F. Kallmes, MD
Noon LUNCH
1:00 Sizing up Stroke: Measuring Stroke Severity Through Neurologic Assessment Debbie Summers, MSN, RN, ACNS-BC, CNRN, SCRN
2:00 Handling the Pressure: The Complicated Clinical Course of a Subarachnoid Hemorrhage Debbie Summers, MSN, RN, ACNS-BC, CNRN, SCRN

VENUE & ACCOMMODATIONS
Dallas Marriott City Center
650 N Pearl Street • Dallas, Texas 75201 • (214) 979-9000
Rooms are available at a discounted rate of $149 plus applicable tax. Please make your reservations directly with the hotel at (800) 828-9290.
CODE: Baylor Educational Meeting (M-1OSVS35)

COURSE DIRECTORS
David W. Barnett, MD
Diplomate, American Board of Neurological Surgery
Chief of Neurological Surgery
Co-Medical Director of Neuroscience Center
Baylor University Medical Center at Dallas
Dallas, TX

Stuart B. Black, MD, FAAN
Chief of Neurology
Co-Medical Director of Neuroscience Center
Baylor University Medical Center at Dallas
Dallas, TX

Kenneth F. Layton, MD, MSc, FAHA
Visiting Assistant Professor of Radiology
Diagnostic Radiology Residency Program
Baylor University Medical Center at Dallas
Dallas, TX

Debbie Summers, MSN, RN, ACNS-BC, CNRN, SCRN
Stroke Outcomes APRN
Emory University Hospital Atlanta, GA

Debbie Summers, MSN, RN, ACNS-BC, CNRN, SCRN
Stroke Outcomes APRN
Emory University Hospital Atlanta, GA

Daniel L. Barrow, MD
MBNA/Bowman Professor and Chairman
Department of Neurological Surgery
Baylor Institute for Rehabilitation
Dallas, TX

Karen L. Fink, MD, PhD
Diplomate, American Board of Physical Medicine and Rehabilitation
Department of Physical Medicine and Rehabilitation
Baylor University Medical Center at Dallas
Dallas, TX

Daniel L. Barrow, MD
MBNA/Bowman Professor and Chairman
Department of Neurological Surgery
Baylor Institute for Rehabilitation
Dallas, TX

Stuart B. Black, MD, FAAN
Chief of Neurology
Co-Medical Director of Neuroscience Center
Baylor University Medical Center at Dallas
Dallas, TX

Debbie Summers, MSN, RN, ACNS-BC, CNRN, SCRN
Stroke Outcomes APRN
Emory University Hospital Atlanta, GA

Karen L. Fink, MD, PhD
Diplomate, American Board of Physical Medicine and Rehabilitation

ACCREDITATION AND CREDIT DESIGNATION STATEMENTS

The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas is recognized by the Texas Board of Nurse Examiners as a provider of continuing education for professional nurses. The Texas Board of Nurse Examiners accepts accreditation for educational activities certified by the AAFP Category 1 Credit™ for Commercial Support of Live Programs.

ACCME accreditation ensures that the program meets all national standards for educational activities certified by the AAFP Category 1 Credit™. Attendees may receive a maximum of 6.5 Category 1 credits for completing the program.

Baylor Health Care System is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Baylor Health Care System is recognized by the Texas Department of State Health Services for EMS certificants.

Baylor University Medical Center at Dallas is recognized by the Texas Department of State Health Services for EMT certificants.

APA certification ensures that the program meets all national standards for educational activities certified by the AAPA. Attendees may receive a maximum of 6.5 Category 1 credits for completing the program. Baylor Health Care System is accredited as a provider of continuing education by the American Academy of Physician Assistants. This activity provides up to 6.5 Nurse CNE hours.

Category A/B/C: CE credits are pending approval by the ABP.
